### **Reference for Maggie Saunders**

Date: 12<sup>th</sup> February 2013

I am delighted to offer a reference for Maggie with whom I have worked regularly over the last 8 years. Maggie is an extremely talented actor/role player – bright and intuitive to pick up on just the right amount of support and challenge needed for each situation.

Perhaps more importantly she is an excellent facilitator and coach also providing poignant feedback and direction when needed.

She shows a high level of emotional intelligence being able to maintain a stretching learning environment at the same time as offering empathy when needed.

She has worked with the most senior teams to new and inexperienced staff and is able to adapt her style to connect at the right level.

She has been fully involved in design and organisation of events and is efficient and trustworthy.

I am very happy to be contacted for a verbal reference if further detail is helpful,

Very best wishes,

SUE DONNELLAN (Managing Director)
